

This year PS 158 will be using Google Classroom as our online learning platform. On Google Classroom students can access daily lessons, class schedules, live meeting links, receive feedback from their teachers and more. We will also be using Zoom as a tool for live meetings when students are working remotely. **Both platforms must be accessed using the NYC DOE student accounts.** Below you will find directions on how to access Google Classroom and Zoom.

If you need support with NYC DOE student accounts, please contact Mary Semack at [mary.semack@ps158.net](mailto:mary.semack@ps158.net)
